HIGH PERFORMANCE

WITH UNRIVALED PRECISION

EXCEPTIONAL INSULATION

Panorama's hung and slider frames have placed them at the summit of the industry in terms of energy efficiency. Their unique design maximizes insulating properties and allows for energy savings, comfort and peace of mind for years to come.

THE SOUND OF SILENCE

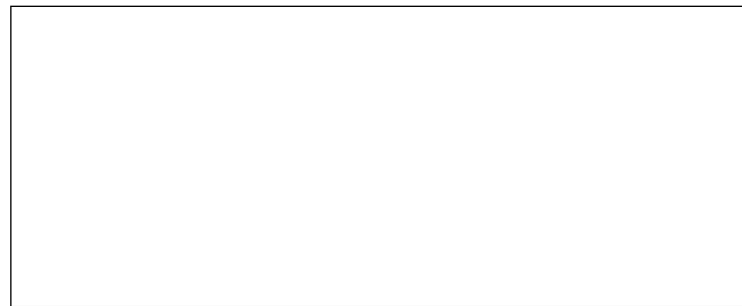

Shhhh... Enjoy peace and tranquility with your Panorama Windows! Multi-chamber extrusion profiles and multiple weather-stripping help eliminate most outside noise.

ULTRA AIRTIGHT

Say no to drafts with Panorama's hung and slider windows. Built to withstand our Canadian winters, they're among the best in the industry.

A WORRY FREE INVESTMENT

SPECIAL PVC RECIPE IS RESISTANT TO COLOUR CHANGES

Let there be light! Our exclusive PVC formula stands up to UV rays. Tested in Arizona, it's proven to be at least twice as resistant to colour change as the competition's PVC. Your Panorama PVC window frames won't yellow, bleach, or fade.

HIGH-PERFORMANCE WINDOWS AT COMPETITIVE PRICES

Panorama Windows Inc. is a company that specializes in producing the highest quality window products. A member of the Wilton-Panorama group of companies which was founded in 1969, Panorama excels in the field, always on the cutting edge of innovation, development and client service.

PANORAMA WARRANTY

- 20 years** All PVC and aluminum extrusions
- 20 years** Seal failure of thermo units
- 5 years** Sliding and Hung window hardware

YOUR COMFORT IS OUR PRIORITY

5 EASY WAYS TO BE GREEN

Choosing energy-efficient Panorama windows made with sustainable, energy-saving PVC can reduce your long-term impact on the environment.

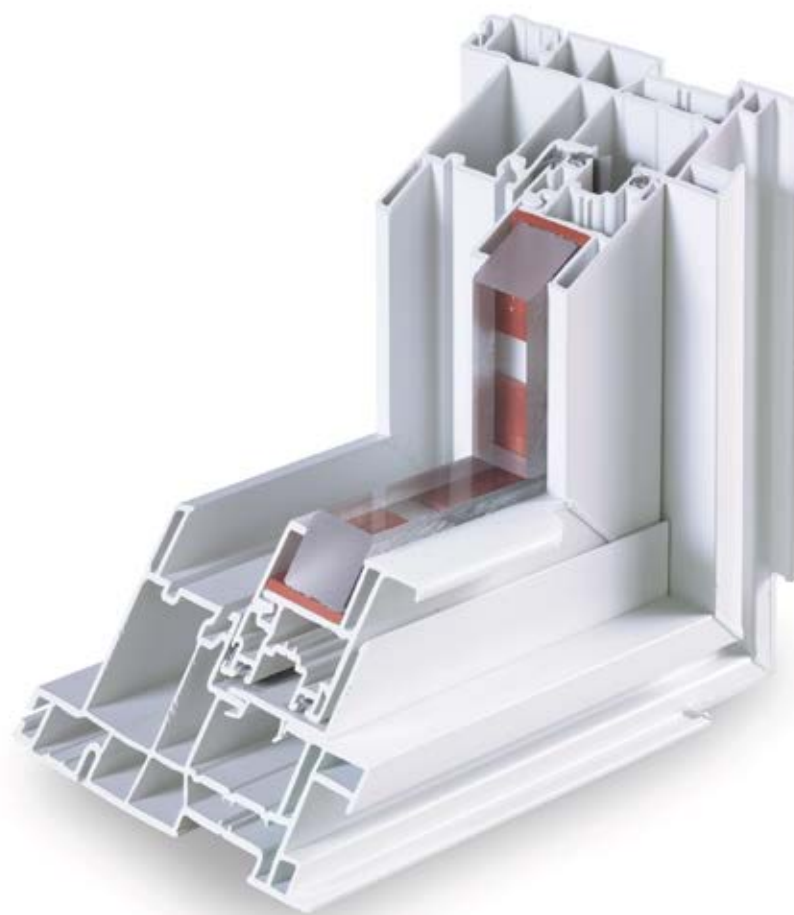

By using an exclusive PVC blend that has greater durability, windows manufactured by Panorama are kinder to the environment in the long run.

When it comes to being maintenance free, Panorama windows can't be beat. They're such a breeze to clean—Mother Nature will thank you!

Want to help to keep the earth greener? The PVC used in Panorama's windows uses fewer non-renewable resources.

When you select our windows you're buying products built "closer to home", helping to reduce greenhouse gas emissions.

PRIMERA
BEAUTY – QUALITY – DURABILITY

Exceptional performance

PRIMERA	Size tested mm (inches)	North American harmonized standards AAMA/WDMA/CSA 101/I.S.D./AA440-08
